My Dinosaur Observations

Get ready to be surrounded by dinosaurs! In this exhibition, you can find eight sets of precious and iconic dinosaur fossil skeleton specimens. Pick your favourite one, observe it in detail and record your findings below.

Specimen name ●

I selected this specimen because ●

Draw the specimen ●

I observed some interesting features ●

Search for the lifestyle of the specimen. How did the observed features help its survival? (Hint: Think about where it lived and what it ate) ●
